

2021 High School Scholarship Program

(January 12, 2021) MARION, Ky. - High school seniors planning to attend a Christian university are eligible to apply.

WKYC is continuing a scholarship opportunity for graduating high school seniors who also attended WKYC as campers. This scholarship program was launched in 2020 and honors the camp's mission of *building strong Christians* through supporting campers who plan on attending a Christian institution of higher education.

One male and one female camper will each receive a \$1,000 scholarship. The award will be one-time and non-renewable.

Applications will be considered from rising seniors who have been active campers at WKYC, have strong and consistent GPAs, are involved in extra-curricular activities, and who are active in their home congregations. The scholarship award is only applicable to attendance at a college or university associated with the churches of Christ.

"This scholarship opportunity is a natural outgrowth our mission," said Board President Jamey Boone. "The Board of Directors views Christian post-secondary education as a way to continue building strong Christians even after our campers graduate high school. We are thrilled to be able to make this opportunity available once again to our students."

There are two components to the scholarship application, with step 1 of the process involving the submission of a digital application through Google Forms. Two letters of recommendation are also required, and can be emailed to **WesternKyYouthCamp@gmail.com**. Step 2 of the process will entail personal interviews with viable candidates conducted by the Scholarship Committee.

The application link will be made available on February 1st and will close on March 31st.
